Sunshine Report

Well hi there, I have been told some of you are not feeling too well. Examples: I heard that a young lady got tangled up with a chair and hurt her toe but in a few days she will be off on yet another trip. I also heard that another young lady ended up in the hospital over night with some stomach trouble, but she is doing well now. Just watch what you eat. Also heard another young lady had a heart attack and was in the hospital for a few days, but is home now taking it easy. And would you believe, I heard that another young lady had to go to ER the other night, but she is home and taking it easy. Well to all my "young ladies," please do what the Dr. says, and you will be feeling so much better real soon.

Patrick (Pat) Hall has stomach cancer and is in treatment. He says he is doing o-k, but the treatments make him tired and "you have no get up and go" for a few days. But Pat, I hope you keep that smile on your face, because before long, you will have that "get up and go" back.

Evie Dean was helping a friend out of the car, slipped and fell, and broke her wrist. She too ended up in ER. She will be out of commission for awhile, but I know Evie will be at it again soon. Another young lady had open heart surgery not too long ago, and now she tells me she had to go in again for some more heart surgery. Come on now, once is enough. We all will say a little prayer for ALL of you. If I have missed someone, it is because I didn't know. So please let me know if you are sick or recovering.

Do take care,
Topsy Thompson,
the Sunshine Lady!!

Travel Trips

England/Scotland

August 28 - September 7, 2008

England and Scotland are wonderful to visit but pricey because of the value of the dollar. So we are trying to maximize enjoyment of the trip and get the best bang for the buck. Many travelers tell us they dislike long bus rides and changing hotels regularly. We will use a hub and spoke arrangement which concentrates on major cities, yields longer stays in nice hotels and lets you see the areas close by.

Our trip goes into London for 3 plus days, we fly to Inverness on day 5 and go in to Edinburgh for the rest of the trip. One could easily spend weeks in London and Edinburgh, so there is no shortage of great things to see and experience.

In London we tour Westminster Abbey and its chapels, the Tower of London, catch the changing of the guard at Buckingham Palace, tour Hampton Court, spend a half day sightseeing and then have free time to see historic sites like St. Pauls Cathedral, Victoria and Albert Museum, the British Museum, Parliament, the Shakespeare theater, etc.

Inverness gives us the ability to see Fort Augustus, cruise Loch Ness looking for Nessie, visit the Culloden Visitor Centre and Battleground. On our way to Edinburgh we visit Stirling Castle, Argyll's Lodging, the National Wallace Monument and the Bannockburn Heritage Centre.

Edinburgh is a lovely ancient city with Edinburgh Castle towering above it. We tour the castle and then go down the Royal Mile to Holyrood Palace. The Royal Mile is replete with historic structures, St. Giles Cathedral, specialty shops and pubs. We will visit Glasgow Cathedral and the tall ship in Glasgow harbor then take a short cruise on Loch Lomond. We will have free time to see the rest of historic Edinburgh and its surrounding environs, even St. Andrews if an ardent enough golfer. Our trip concludes with a Scottish night where you acquire your brogue for the trip home.

The trip is priced at \$2970 per person, with the usual add ons for fuel surcharges, airport departure taxes and some tips to drivers. A tour manager will be with us all the way.

The trip activity rating is 3. For further information call George or Isobel Nale at 408 779 4275, or email us at gr4na@aol.com

Mediterranean Cruise

Athens to Rome

Stopping in the Holy Lands

Late October, 2008

Don't miss this opportunity to visit not only some of the most beautiful and exotic places on the Mediterranean but also take advantage of the chance to visit the holy cities of **Galilee**, **Nazareth** and **Jerusalem**. This trip, on the intimate **Pacific Princess** with only 650 passengers and 70% balconies, allows the comfort of a cruise and the flexibility of visiting some of the world's most important historical venues. The timing of this cruise gives us the best weather and fewer crowds.

Our adventure begins in **Athens**, home of 7,000 years of Greek culture and history and continues to beautiful **Santorini**, one of the most beautiful of all the Greek islands. From atop the rim of an ancient volcanic caldera, the delightful towns of the island offer stunning views of the Aegean in every direction! The next stop is the island of **Patmos** famous for the exiled years of St. John and believed to be the spot where the book of Revelation was written. We then visit **Kusadasi, Turkey**, and the ancient city of **Ephesus**. This is the largest ancient archeological site in the world dating from the second century.

After a day of sailing on the beautiful Mediterranean sea we arrive in the port of **Haifa, Israel**, which is the port city from which to explore **Galilee** and **Nazareth**, two of the most important cities in Christian history. This tour is included in the price of the trip. The next day we will visit the historical city of **Jerusalem** for 13 hours giving us ample time for touring. There are a number of tours that you can choose from.

Our next stop is **Port Said, Egypt**, which itself is worthy of a day of exploration or we can visit **Giza** and one of the Wonders of the World, the **Pyramids!** Again, we will spend enough time in port to cover much of the ancient history of this fascinating area. The next day will also allow us to continue to explore as we will be docked in the ancient port of **Alexandria, Egypt**, at the mouth of the mighty Nile River.

The next two days are relaxing ones on the Pacific Princess as we make our way toward the beautiful island of **Capri, Italy**. There will be lots of time for a walk around Sorrento and maybe some pasta and wine! We disembark in beautiful, eternal **Rome**. Extensions are possible so that all of the art and culture of this wonderful city can be enjoyed.

Cost will vary by cabin choice: interior double \$4400 to balcony suites at \$4948 inclusive of air. However, if you have air mileage this could be a great time to use it to bring the price down considerably. Included in the price are all transfers, taxes and insurance.

Extensions either pre trip in Athens or post trip in Rome can be arranged.

Information meeting: Tuesday, November 13, 2007 at 10:00 AM at Baker's Square, Almaden Expressway.

Trip Activity Rating – 2

We will travel to the world famous **Brookdale Lodge**, set under stately giant redwoods in the Santa Cruz Mountains. Today's visitors will find a refreshing and delightful experience of dining beside the gentle brook in this unique and rustic setting. The original lodge was built in 1890 by Judge J.H. Logan at the site of the Grover lumber mill. In the early 1920's, Dr. F. K. Camp built the beautiful dining room with the natural brook running through it. A feature in Ripley's Believe It or Not served to make the Brookdale Lodge world famous. Throughout the years, the Brookdale Lodge has been a popular destination for romantic getaways and other special gatherings. Your meal selections will include—Brook Salad, Prime Rib, Salmon Béarnaise, or Lemon Linguini and black olives, non alcoholic drinks and dessert. Jerry Saucedo will be performing a two hour Valentine Day Special Program. Today, as a vocalist-guitarist-keyboardist-entertainer-beatmaster, Jerry is without a doubt one the best entertainers in San Jose or the Bay Area. Versatile and talented, Jerry's musical vision encompasses the best of all styles from his renditions of Frank Sinatra to Carlos Santana.

Trip Activity Rating – 3

Journey to Northern California's Wine Country where oak trees with glittering leaves dot green rolling hills, and where a red barn faces a field fringed with dainty wildflowers in every color. But, what is that giraffe doing? Are those – ostriches over there? What's that goat-like critter with the weird, twisted horns... well, take a deep breath...you're in Sonoma County's own Serengeti...Safari West. Upon arrival we will board the African Queen, a 25-foot long trailer adapted with benches and a thatched grass roof for a journey through their savannah grasslands and breathtaking view of Watusi Lake, and then it's time to explore on foot! The second half of the tour allows us to stroll through the inner compound, where we'll encounter giraffes, primates, and birds in their open-air aviary! After the tour we'll have a bountiful, hosted lunch consisting of BBQ Chicken, Potato Salad, Pork & Beans, Green Salad, French Bread, Dessert, and Iced Tea or Coffee. On our way back to the Bay Area we will take a walk down memory lane and remember good things and good times. Everyone has an extremely vivid and pleasant memory of where they went as a child to get their favorite candy whether it was the corner store or their Grandma's candy dish. Powell's Sweet Shoppes are a nostalgic re-creation of that classic and bygone era and has been featured on the regional TV shows. Powell's Sweet Shoppe is the Smithsonian of candy stores. We will have time to reminisce and shop.

Behind the Scenes

Tuesday, July 8, 2008

Trip Activity rating-2

The day will begin at KQED Studios in San Francisco for a "Behind-The-Scenes Tour" of their FM facility, working studio, master control room & TV studios with a docent guide. KQED is San Francisco's primary public broadcasting outlet. First taking to the airwaves 50 years ago this year to broadcast "educational tv," KQED television and radio have always been flagships of the national public broadcasting networks. Next stop, Caesar's Italian Restaurant for a hosted lunch. Dine at an old-fashioned restaurant "where the Italians eat" in North Beach. Please select one of the following entrée choices: Veal Parmigiana; Roast Beef Au Jus; or Combination Seafood Plate (Scallops, Prawns and Filet of Sole). All entrées include Salad, Pasta of the Day, Spumoni Ice Cream for dessert, and Coffee. After lunch, visit the Boudin Bakery & Museum. Discover Boudin's culinary history and learn about its origin in 1849. Today, 150 years later, they continue to bring you a culinary collection that represents the Bay Area's

best. Learn the art & science behind "the original San Francisco sourdough." Get an up-close "baker's view" through Boudin's 30-foot observation window and a glass-walled catwalk at this demonstration bakery. Enjoy sampling the freshly baked bread, hot right out of the oven. IBM Club Web Site for Retirees

In the past, in order to access the IBM Club web site, you had to be an IBM employee. Retirees could not access the site. Recently, IBM has made an IBM Club web site available for IBM retirees. It is a global web site containing information about IBM Clubs all over the world.

In order to access this web site, you must first register. Then you can subscribe to whatever IBM Club is closest to where you live or to multiple IBM Clubs. Our local club is the Silicon Valley IBM Club.

The address of the web site: www.ibm.com/ibm/ibmclub

Once you get there you will need to provide an e-mail address and provide a password in order to register. You must also specify which IBM Club you are interested in.

Swap'N'Shop

Do you remember the old Swap 'N' Shop board in the cafeteria? You could submit a 3x5 card and it would be posted describing the things you wanted to sell or buy. Well, it is now online. IBM employees and retirees can participate. On the first day, more than 100 items were posted and 10 times that number of employees browsed through the site.

Brief column due to your reporter's broken wrist

Notes from the field:

- Found a filled white bag that turned out to be one of ours from last month. It must have escaped from the Caltrans pick up last month. (Should we maybe count these bags twice? As of 9/30/2007, Caltrans had not picked up the September bags. A broken wrist leads to a lax Caltrans, apparently.)
- Purple workout pants were found and recycled via Goodwill.
- Three homeless camps were discovered by their smell.
- 200 self tapping sheet metal screws
- 1 Giants hat, obviously from a fan not happy with this past season.
- 8 foot tree trimming ladder and a dollar bill
- volleyball, tennis ball, whiffle ball

14 volunteers filled 31 bags bringing our total to 2149 bags to date.

Schedule: meet in **VTA Parking lot 8:45 a.m.**

Bowling History

In 1987, the One More Time bowling league was born with the help of Ed Henschel. He walked into the Oakridge Bowling Lanes, and asked if he could start a league with maybe only 10 bowlers, all IBM retirees, and they said yes. So Ed and Enise Henschel, Jeanie and Dick Kile, Leana and Harold Stevenson, and two more couples got together and starting bowling on Wednesday mornings, at a cost of \$3.00 a person. On 11/17/1987, Oakridge Lanes invited the IBM Retirement Club to a "FREE" bowling party. The next month's newsletter says they had 22 retirees show up for the free bowling. Also as of 12/16/87, the league had 16 bowlers--the ones above plus Nancy Melosi, Ky DeVieger, John Maa, Art Eldridge, Leana Stevenson, Harold Stevenson, and a few more.

In February 1988, in the newsletter, it read: Nancy Melosi had high scratch series(542), scratch game(203), and high HDCP game (254), and high HDCP series(695.) John Mapa had scratch series of 549, Ed Henschel had a high HDCP series of 667, Art Eldridge had scratch 228. In September of that year, Oakridge Lanes gave us another free bowling party for IBM Retirement Club bowlers.

Now look at us! We are still bowling at Oakridge Lanes, only now it is called "Club 300." We have 108 bowlers. We only pay \$10.00. And would you believe Ed Henschel and Jeanie Kile are still bowling with us? Leana moved away, but on a recent Wednesday, we had a party and Lena came all the way from Arizona to be with us. We sure do miss her, but we also miss a lot of our other bowlers that have left us. Thank You, Ed Henschel, for starting this league, and to all of you wonderful bowlers for keeping our wonderful league going.

So how about it? Want to have fun? Then come on and bowl with us. Don't give the answer, oh I hurt here or there, or we like to travel, etc. Cause you know what? So do we. We hurt here and there, we still travel, but yet we still bowl too. Come on have fun with us. See page 11 for contacts.

***Congratulations, One More Time Bowling League
Happy Anniversary on your 20th!***

Hikes

Shoreline Hike 9:30 AM

Friday, November 16, 2007

This month we will take a nice flat walk at Shoreline Park in Mountain View. Our route will begin at Shoreline's lake area. From there we will continue through wetlands and marshlands, where the peninsula meets San Francisco Bay. This area is prime habitat for all kinds of waterfowl. When we scouted this walk, there were birds everywhere - from Canadian Geese to a white tailed hawk looking for lunch in the bushes. The trails here are either paved or gravel, so good athletic shoes will be sufficient. And there are no hills to worry about. We will be taking an out and back route of about 6 miles...more if the group wants to go farther. The trails are wide open, and it can be windy, but the surroundings are quite different from those of our usual hikes and we think there will be something for everyone to enjoy.

After the hike, we will have lunch on the patio overlooking Shoreline Lake. This time you can have a choice of bringing your lunch or buying it, as there is a café where you can purchase lunch if you like. We noticed that the café's deserts looked very tantalizing.

We will begin the hike at 9:30, since we are having lunch at the end of the walk. Here's how to get to the Shoreline Lake parking lot. Travel north on Highway 101 or Highway 85 towards San Francisco, exit at Shoreline Boulevard. Make a right turn at the stoplight onto N. Shoreline Blvd. heading east. Stay on Shoreline, going past the guard shack at the entrance to the park. Continue going on the park road following the signs to the lake and boathouse (the road ends here). We'll meet in the parking lot by the boathouse. See you at 9:30. Don't forget your water, and lunch if you prefer not to buy at the café. Carpoolers, meet at the Camden park and ride at 8:45AM.

*I don't want to embarrass any one, but dear sweet Mary Brown is a "little" over 90 and look at her score. She is still doing great. **Shirley and Ernie Veal top the handicap series award. They don't bowl on the same team so maybe that is the key.

The winter league began on September 12. The league celebrated (with a cake) the 20th anniversary of fun, strikes, spares and splits. There are a few new bowlers and there are a few vacancies. If any retired IBMers would like to bowl with us on Wednesday mornings at 9:30 AM, "Come on down" or contact:
