"Dear volunteers and Caltrans,

Due to safety concerns (predicted rain for tomorrow, fog and icy conditions this morning), we are canceling tomorrow's Adopt-A-Highway clean up.

We will try for Wednesday, January 13.

Doug & Evie"

Bob Schneider replied *"Our exit was cleaned a week ago, so I was going to go down there and goof off and report back how hard we worked. Thanks for timely news."*

Murphy's Law was in force on December 10, which means you can thank us for a beautiful Thursday with no fog, no frost and no rain.

Become a Docent at the Computer History Museum

The Computer History Museum is a fascinating place, and you could be the one to introduce visitors to its amazing displays. You can learn the features of Charles Babbage's Difference Engine #2, or train to supervise a nostalgic battle of the early computer game, Space War! Tell the story of a single artifact's creation and operation, or extend your knowledge to include 40 years of computer history.

The Computer History Museum is currently looking for committed volunteers interested in leading tours and discussions for diverse groups of people in a brand new premiere exhibit. focused on computing history. Docent trainees will participate in an extensive training program. No special knowledge of computers or computing is required.

To become a docent, you must be willing to commit to one four-hour shift each week, for two years. The next training class will begin in April, 2010, and will run until December, 2010. If you are interested in becoming a docent, please attend an information session on either January 27 or February 9. For more information contact Jim Somers at jsomers@computerhistory.org or check out the Computer History Museum's website at <http://www.computerhistory.org/volunteers/>.

IBM ACS Reunion in February

The Computer History Museum in Mountain View has graciously offered to act as host for a panel discussion and reunion for the IBM Advanced Computing Systems project on Thursday, February 18, 2010. The panel discussion will be held as part of their "brown bag lunch" program and will start at noon. The panel will end by 1:30 PM, and the museum will be open until 4:00 PM for those wishing to stay and visit. We are also considering reserving a room at a local restaurant for dinner that evening for those interested.

A web page for information on the reunion is:

www.cs.clemson.edu/~mark/acs_reunion.html

and contains a list of IBM ACS project members who worked on the project between 1961 and 1969, and for whom I have no contact information. If you happen to recognize any names and could pass on the web page URL to those folks, that would be wonderful.

Par Tee Golf

- To see the full report, go online and look for "Par Tee Golf"

Los Lagos December 28, 2009. The original date of the December tournament was the 7th, but unfortunately, we were rained out. So, we rescheduled to the 28th. The "Shot(s) of the Day" go to Fred Mitchell, Mike Green, and Kathy La Scola. On hole #10, a par 5, Fred chipped in his fourth shot from 60 yards out for Birdie. On hole #12, a par 3, Mike chipped in his second shot from 35 yards out for Birdie. And, on hole #11, a par 4, Kathy hit her second shot which struck a "Target Pipe Marker" in the middle of the fairway, dead center. The plastic pipe is 2 inches in diameter and was about 40 yards in front of her, and her ball landed about 25 yards behind her! Great shots, Fred and Mike! Tough break, Kathy! This completes my tenth year as Tournament Director. I extend my sincerest thanks to all of you who participate in the monthly tournaments. Thanks, also, to Don Johnson for chairing the membership for the Par Tee Golf Club, and to my lovely wife, Kathy, who verifies your scorecards. We had a nice turnout of 48 players. Hikes

Shoreline Hike

Friday, January 22, 2010, 9:30 AM

Time for another flat but scenic hike, this month at Shoreline Park in Mountain View. We'll be walking about 6 miles on paved or gravel trails, so good athletic shoes will be sufficient. We hope to see many varieties of waterfowl in the marshy wetlands. After the hike, we will have lunch on the patio overlooking Shoreline Lake. This time you can have a choice of bringing your lunch or buying it, as there is a café where you can purchase lunch if you like.

We will begin the hike at 9:30 AM, since we are having lunch at the end of the walk. To get to the meeting place in the Shoreline Lake parking lot, travel north on Highway 101 or Highway 85 toward San Francisco, exit at Shoreline Boulevard. Make a right turn at the stoplight onto N. Shoreline Blvd. heading east. Stay on Shoreline, go past the guard shack at the entrance to the park and continue till the road ends at the lake and boathouse. See you at 9:30 AM. Don't forget your water, and lunch if you prefer not to buy at the café. Carpoolers, meet at the Camden Park and Ride at 8:45 AM.

AfterIBM

IBM has redesigned its web page for IBM retirees. There used to be multiple items, all in separate web sites. Now, there is one web page that has links to all of the others. This is a big improvement. It includes the following: IBM Club, Discounts for IBMers, Employee Purchase Programs, On Demand Community, Matching Grants, NetBenefits, and others. To see the entire list, visit our web site, **ibmsjrc.org**, and click on **AfterIBM**. Some of the sites require that you register with your e-mail address and a password.
