

San Jose IBM Retirement Club

Many of us have stopped working for IBM without being aware of the IBM San Jose Retirement Club. It is organized under the San Jose IBM Club. We now have over 2000 members in over 30 states.

We have a number of programs throughout the year, as you can see from our newsletter. The club provides a line of contact with old friends. You will meet them on our bowling teams, golf, camping, hiking, day trips and tours. As someone who once worked for IBM, you are invited to become a member. If your spouse once worked for IBM, you may become an associate member. The cost is nominal. I recommend the life membership to save the trouble of annual renewal.

You can get more information at our website: **ibmsjrc.org**
The membership requirements in the Club's Bylaws state that:

1. Anybody who once worked for IBM as an employee may become a member by paying dues.
2. The non-member Spouse of a member may participate in all Club activities, but may not vote or hold office.
3. Associate membership is offered to the spouse of anybody who once worked for IBM.

If you wish to join, fill out the form below, and send it with your check to the address below. Please indicate which of you (or both) worked for IBM. We encourage you to view the monthly newsletter on our website to save reproduction and mailing costs. We will send you a link to the current newsletter each month. A paper copy is available only to Lifetime members.

Ed Mueller, Membership Director.
